## WAIKIKI YACHT CLUB EDUCATION FOUNDATION

### YOUTH SAILING SCHOLARSHIP APPLICATION

Waikiki Yacht Club Education Foundation 1599 Ala Wai Blvd. Honolulu, HI 96814

#### **Mission**

The mission of the Waikiki Yacht Club Education Foundation is to instruct and educate individuals in the sport of sailing. To promote national and international amateur sailing, competition, and maritime education by encouraging an interest in sailing education and competition and the maritime arts and sciences, especially among youths in Hawaii.

The Foundation supports this mission by providing financial support to youth sailing programs that provide training activities, outreach programs, sailing equipment, facilities or education, and by encouraging participation in local, national, or international sailing and other competitions and activities.

#### **Scholarship Program**

In furtherance of that Mission, the Foundation offers a Scholarship Program in connection with the Waikiki Yacht Club Youth Sailing Program. Through this program, the Foundation offers scholarships for each Youth sailing instructional session offered by the Waikiki Yacht Club Youth Sailing Program. The Scholarship covers up to 100% of the tuition only.

The Scholarship Program is designed to provide a student who might otherwise be unable to experience the excitement and rewards of learning to sail with that opportunity. The Scholarship Program is open to any child otherwise fully qualified to participate in the Waikiki Yacht Club Youth Sailing Program. Membership in the Waikiki Yacht Club is not required.

For more information on the Waikiki Yacht Club Youth Sailing Program, please contact Waikiki Yacht Club Education Foundation Scholarship Chair Michael Roth.

Please Submit Completed Applications To:

Waikiki Yacht Club Education Foundation Michael Roth Scholarship Review Committee 1599 Ala Wai Blvd. Honolulu, HI 96814 rothcomm@gmail.com 808-595-4124
